ABOUT THE EVENT

You are cordially invited to join the Mario E. Dorsonville Foundation's flagship fundraiser which advances our efforts in providing essential supplies to the DC homeless community throughout the fall and winter seasons. Not only is this the most impactful fundraiser for the homeless in the city, it's a celebration of friends and young catholic professionals beginning their philanthropic efforts.

HOW YOUR DONATION IS USED

All proceeds from IGNIGHT go directly to the Homeless Mission where, on a bi-weekly basis, Homeless Mission volunteers visit various parks in the D.C. area, offering food, supplies, and friendship to those in need. Mission trip organizers bring an abundance of necessities for volunteers to distribute items such as socks, coats, toothbrushes, hats, gloves, even tablets. Volunteers also serve hot chocolate and soup on cold days.

We look forward to working with you.

SPONSORSHIP OPTIONS

Gold Sponsor - \$1,000 (6 Available)

Looking to connect with young professionals in the DC Area? This sponsorship includes two tickets to IGNIGHT and uses both audio mentions and visual displays during the event. It's a great way for local small businesses to gain exposure with a niche audience in an intimate setting.

DJ Sponsor - \$1,000

The DJ for IGNIGHT is a critical component of the event. Sponsoring the DJ means having the ultimate audio exposure with a group of young professionals. This sponsorship includes two tickets to IGNIGHT.

Photography Sponsor - \$1,000

Our event photographer collects IGNIGHT's best moments. By sponsoring the photographer, you capture lasting memories for the homeless mission. Photographers will also center their images around you and your company for added exposure after the event. The photography sponsorship includes two tickets to IGNIGHT and uses both audio mentions and visual displays during the event.

Seminarians Sponsor - \$500

The John Paul II Seminarians play a critical part of Mario E. Dorsonville's Homeless Mission because they store supplies, provide logistical support, and many other benefits. Sponsoring the tickets for 4 seminarians keeps them connected with the mission and its volunteers. Sponsorship includes visual mentions during the event.
